

Nida Jasmin KP

Full Stack Developer | Shopify Developer

Malappuram, Kerala • +91 9746478783 • nidajasmin08@gmail.com • LinkedIn

PROFILE

Motivated **Full Stack Developer** with hands-on experience building end-to-end web applications using **Python, Django, Next.js, Node.js, and React**, with strong front-end skills in Tailwind CSS and responsive UI/UX design. Skilled in **Shopify theme development** and customization (Liquid, HTML, CSS, JavaScript), custom **Shopify app development**, headless CMS and REST API integration, and Flutter mobile app development. Experienced in database design, cloud deployment, and Agile team environments, with strong analytical and problem-solving skills.

WORK EXPERIENCE

2025 – Present	Junior Full Stack Developer, Seamedia Ecommerce Solution • Kakkanchery - Built UI and functionality for 10+ screens in the ADPH mobile app using Flutter, completing tasks assigned by a senior developer. - Created the UI and implemented functionality for the Bel Air Shopify store using Liquid, HTML, CSS, and JavaScript. - Built the Kidulan.com homepage using Sanity CMS (headless CMS, content modelling, API integration) with Next.js. - Updated Shopify themes, created custom theme sections, and built a theme from scratch using Shopify CLI (Online Store 2.0). - Developed a custom Shopify app for collection sorting on specific stores, integrating Shopify APIs. - Built and maintained full-stack features (frontend, backend, and API layers) with Node.js and Next.js, following Agile/Scrum practices and Git version control from development to deployment.
2025	Python Full-Stack Intern, WebEaz Technology Built and deployed full-stack web applications using Python, Django, PostgreSQL, React.js, and AWS cloud services, including RESTful API development and AI/ML integrations.
2024	Python Full-Stack Intern, Luminar Technolab Developed Django web applications with MySQL, building responsive UIs with HTML, CSS, Bootstrap, and JavaScript.
